HOW TO APPLY

Please email jobs@twiningenterprise.org.uk with:

- a tailored copy of your CV.
- a covering letter detailing how you meet the Essential Knowledge, Skills and Abilities we shortlist on (see Person Specification below). We will not accept generic cover letters.
- in the cover letter please also specify which London Boroughs (of those outlined above) you would prefer to work in.

Please also make sure you complete and send separately our Twining Equalities Monitoring Form which can be found in the 'Jobs' section of our website.

The deadline for applications is: On-going.

We will interview suitable candidates as soon as applications are received. The first interview will be a short telephone call. If successful, you will then be invited to a panel interview. The final stage will then be a 'meet the team' interview, with offers made after this to successful candidates. We find this process works best to ensure a good fit for both parties.

PERSON SPECIFICATION

JOB PURPOSE

To inspire people with common mental health and musculoskeletal problems to progress and to gain and sustain paid employment and contribute to a thriving team and organisation.

The Employment Specialist (ES) role will work across the local primary care network with a focus on integrating with IAPT (Increasing Access to Psychological Therapies) teams. You will work to assist referred patients (clients) to find competitive and sustained employment. Around 25% of referrals will be to assist clients to remain in work if struggling, or return to work, if off sick.

Employment Specialists will follow the 8 principles of IPS, adhere to the IPS Fidelity Scale and achieve monthly targets and KPIs with the required administration and compliance.

Responsibilities and Duties

1. Engage a caseload of clients with mental health problems and establish trusting, collaborative relationships to support them into employment in line with contract targets and IPS fidelity.
2. Assess clients' employment support needs; implementing and adjusting employment plans as necessary to support each client's desired outcomes along IPS requirements.
3. Develop and deliver a range of practical services to meet clients' needs including career guidance, job searching, CV preparation, interview skills, individual coping techniques or work coaching.
4. Build a constant flow of referrals to ensure a dynamic caseload.
5. Conduct weekly employer engagement activity in line with IPS Fidelity.
6. Understand the complex issues a client may face, recognise holistic support needs and work in conjunction with clinical staff.
7. Facilitate access to expert financial advice on welfare benefits and 'access to work' resources.
8. Provide support and reasonable adjustments if required, to employed clients to support them to stay and progress in work.
9. Regularly attend clinical team meetings to provide advice and information on employment and IPS.
10. Collaborate with community partners to raise awareness of employment and mental health issues and promote access to the service.
11. Maintain accurate and up to date records of activity and outcomes in line with service requirements, ensuring the IT database is up to date and paperwork compliant.
12. Update and maintain NHS database (IAPTus).
13. Receive regular supervision and training to meet individual, team and organization's needs.
14. Contribute to the development of a service that is locally responsive and supports minority/disadvantaged communities.
15. Comply with and actively promote all Twining policies and procedures including Equality and Diversity, safeguarding and data protection.

16. Perform other tasks as required by your manager.

ABOUT TWINING ENTERPRISE

Who we are

Twining Enterprise exists to improve mental wellbeing by supporting people in and into work. Everything we do is aimed at helping people with mental health conditions gain access to the benefits work has to offer. Our tailored practical employment support doesn't just help with work-related goals, it improves our clients' wellbeing and lives.

We are one of London's leading mental health employment charities. We provide life-changing support to 2,000 Londoners with mental health problems every year. Our clients regularly tell us that our support has helped them achieve progress they didn't believe was possible.

How we work

Individual Placement & Support (IPS) is an internationally recognised and evidence-based supported employment intervention. IPS is regarded as the most effective and efficient way of helping people with mental health issues into competitive and sustainable employment.

Twining was the first non-NHS provider to be awarded Centre of Excellence status for its IPS service in Barnet.
